

P510 Lantern

Large Victorian tear-drop style lantern (based on original designs) for city streets, squares, conservation areas, and other situations requiring a period lantern. Together with CU Boulevard column an authentic Victorian scheme can be implemented for a modern major road.

FEATURES

- Black aluminium body in post top or top-entry styles.
- Clear vandal-resistant bowl.
- High efficiency variable optic reflector.
- Integral control gear on removable tray for quick maintenance.
- IP54 sealed lamp and gear compartment.

OPTIONS AND EXTRAS

- Top-entry or post top yoke option.
- Choice of RAL colours at extra cost – see inside back cover for details.
- Miniature photocell option.
- P510 top entry wall bracket option.

Recommended Applications: Major roads, residential areas, shopping areas, squares, parks, rail, conservation areas.

Suggested Column: 8 –10m, for post top or top-entry/suspended fixing.
