

### P511 Lantern

Small traditional Victorian tear-drop style lantern (based on original designs) for city streets, squares, conservation areas, and other situations requiring a Period lantern. Three modern optical system options give efficient performance from a period style lantern.

#### FEATURES

- Black aluminium body in post top or top-entry styles.
- Clear vandal-resistant bowl.
- Integral control gear on removable tray for quick maintenance.
- IP54 sealed lamp and gear compartment.

#### OPTIONS AND EXTRAS

- Top-entry or post top yoke option.
- Asymmetrical light distribution refractor option (elliptical lamps).
- Two minor road lighting reflector options (tubular lamps).
- Miniature photocell option.
- Choice of RAL colours at extra cost – see inside back cover for details.
- IP66 sealed reflector system option: for 50w and 70w SON-T or 35w CDM-T and 70w CDM-TT.
- P511 top entry wall bracket option.

P511/TE/R
