C.U. Lighting Ltd. Trading as C.U. Phosco

ACCEPTANCE

- Unless previously withdrawn, our offer is valid for the period stated therein, or when no period is stated, for twenty eight (28) days only from the date thereof, after which it is subject to revision.
- Contracts and orders are only accepted subject to these Conditions of Sale, acceptance of which must be unqualified. If any qualification is made by the Buyer, it shall not form part of the contract unless expressly agreed by C.U. Lighting Ltd. Trading as C.U. Phosco (referred to after as the Company), in writing.

QUANTITY

- The quotation is for the whole quantity. Smaller quantities or separate deliveries cannot be accepted without confirmation.

DESPATCH

- The period given is that in which we estimate that we should be able to commence despatch of your order after full forwarding instructions must be sent with the order. The times given for despatch are estimated and not binding: they have to be reckoned from the date of our written confirmation of the order or, where a letter of credit has been asked for, from the date of the bank's advice that it has been opened in conformity with our requirements.
- We reserve the right to despatch the goods in consignments as and when they are ready for despatch. In the event of the occurrence of force majeure we shall be entitled to suspend delivery of the goods for the duration of the prevention or delay caused by such force majeure, without being held responsible for any damage resulting therefrom to the purchaser. In that case the times given for despatch shall be extended for the period of prevention or delay caused by such force majeure. In the event of the period of prevention or delay caused by force majeure having lasted for a period exceeding six consecutive months, then and in that case we shall be entitled to cancel the order to the extent not yet executed without being liable to any indemnity whatsoever towards the purchaser.
- The expression "force majeure" shall mean and include any happening or event beyond our reasonable control – whether or not foreseeable at the time of our order confirmation – in consequence of which we cannot execute or cannot reasonably be required to execute our obligations. Such circumstances include but are not restricted to: Acts of God, war, civil war, insurrection, fires, floods, strikes, epidemics, governmental regulations, freight embargoes, non-availability of any permits, licenses and/or authorisations required, defaults of our suppliers or subcontractors.

PRICING

- Unless otherwise stated in the offer, prices are quoted on an Ex-Works basis.

TRANSFER OF TITLE AND RISK

- Unless otherwise agreed and stated in the offer, the transfer of title to the goods shall occur at such time as the goods are paid for in full. Transfer of risk in the goods shall follow the ICCs Incoterms 2010.

CLAIMS FOR SHORT DELIVERY

- All claims for shortages should be marked on Delivery Note, when the goods are delivered by our lorry. No claims for shortages or damages will be accepted unless marked on our deliver note.

HANDLING FEE ON RETURN OF GOODS

- The supplier reserves the right to levy a handling fee of 25% plus shipping, when and where applicable, of the purchase price of the relevant goods on such goods returned to and accepted by the supplier. The supplier is not obliged to accept the return of any goods and this clause shall not be used to imply that the supplier shall be obliged to accept the return of any goods.

PAYMENT

- Unless otherwise stated in the offer, payment shall be made in London in the currency specified in this offer through the medium of a London Banker's Confirmed Irrevocable Letter of Credit. The Letter of Credit shall:-
 1. Be in respect of equipment as described in this quotation,
 2. Be for the total value of the order,
 3. Have an initial validity equal to the full delivery period plus three months,
 4. Permit part shipments,
 5. Permit trans-shipment,
 6. Provide for payment by the London Bank of the Supplier in London of the value of each shipment against presentation of the appropriate shipping documents evidencing despatch from UK port of the relevant goods.
- In the event of the Letter of Credit not being established within thirty days of the date of order, the Supplier shall be entitled to an automatic extension of the delivery period equivalent to the period of delay and, in the event of such period of delay exceeding three months, the Supplier shall be entitled to terminate the contract and the Purchaser shall be obliged to pay any costs which the Supplier may have reasonably incurred up to that time in the performance of the contract.

 3. Replacement shall be in accordance with the incoterm or the original shipment.
